

# Duke Energy Natural Gas **SYSTEM ENHANCEMENT PROJECT**

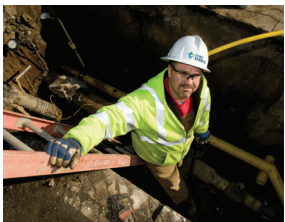

As part of our commitment to providing safe, reliable natural gas service, Duke Energy will be working in your area soon. Duke Energy routinely makes infrastructure investments in its natural gas delivery system.

*BUILDING A **SMARTER** ENERGY FUTURE®*

Cincinnati, OH 45202

**Duke Energy is committed to providing safe, clean and reliable natural**

**gas service.** We will begin construction on the Round Bottom Road project in the coming weeks. The work includes installing a new natural gas line along a portion of Route 32 and along Round Bottom Road from Route 32 to Broadwell Road as part of our continued efforts to improve pipeline operations throughout our service territory. The Round Bottom Road project will involve installing a 2.3-mile section of natural gas pipeline in 2020.

Duke Energy and/or its contractors will be in your area within the next few weeks. They will be doing their best to ensure that traffic is not stopped and proper signage will be displayed. Utility locates will be performed at least 48 hours prior to construction beginning.

For any questions about the project, please contact Jeff Schuchter by phone at **513.287.1047** or by email at [RoundbottomProject@duke-energy.com](mailto:RoundbottomProject@duke-energy.com).
